

# 2019 Surgical Critical Care: All References

Below you will find the topics and their accompanying references for the Surgical Critical Care Continuous Certification Assessment. References that are available open source are indicated with a green star ★ and the entire citation is a link. References that are not available open access have a link in their PubMed ID to the abstract.

**Diplomates are neither required nor expected to read all of these references before or during the completion of the assessment.**

## Abdominal Compartment Syndrome

Sugrue M, De Waele JJ, De Keulenaer BL, et al. A user's guide to intra-abdominal pressure measurement. *Anaesthesiol Intensive Ther.* 2015;47(3):241-251. [[PMID: 25973661](#)]
