

2023 Hand Surgery Continuous Certification Assessment

All References

www.absurgery.org

Below you will find the topics and their accompanying references for the 2023 Hand Surgery Continuous Certification Assessment. **Diplomates are neither required nor expected to read all of these references before or during the completion of the assessment.** The Key References are marked with a yellow star ★ below.

Please note that the American Board of Surgery (ABS) provides as many open-access articles to our Candidates as possible. While you are completing your assessment, Key References will have a direct link to a full-text article or an article PDF purchased by the ABS in the exam platform. Due to limited permissions, we cannot provide links to full-text articles or article PDFs on this Reference Document, as it is not hosted on a secure browser. Article links on this document will take you to the article page on PubMed. We cannot guarantee that all article links will be open access on PubMed. **To view the full-text Key References prior to beginning your assessment, please log into the ABS surgeon portal and find the “My Continuous Certification” page. Under the “Assessments” tab, click on “Reference Documents”.**

The screenshot shows the 'My Continuous Certification' section of the ABS portal. It includes a progress bar with 'Ongoing Requirements' at 0 and 'Assessments (Examinations)' at 1. Below this is a table titled 'Register for Surgery Assessment' with four rows: 'Reference Documents', 'Provide Digital Signature', 'Launch Assessment', and 'View Performance Report'. The 'Provide Digital Signature' row is marked as 'NOT YET COMPLETED' with a red circle, while the others are 'NOT YET AVAILABLE' with yellow circles.
